In #2 Eager Star, Winnie learns something about people as well as horses when she begins to value the power of praise and encouragement. Winnie Perry is fourteen now, and the countdown to high school is shaping up to be as eventful as an entire year of middle school. Not only are things shaky with her boyfriend, Lars, but BFFs Dinah and Cinnamon have been acting weird, big sister Sandra is college-bound, little brother Ty has smuggled a stolen penguin home in his backpack, and new baby sister Maggie has everything turned upside down. It's a lot for anyone to handle, and loyal Winnie is so busy worrying about everyone else that she hardly notices that she might just be struggling a little bit herself. With humor and honesty, Lauren Myracle brings us another pitch-perfect novel featuring the characters that her legions of fans have grown up loving. From the author of the break-out hit tTyl, a dark and utterly readable take on the hierarchy of high school girls. There are Gossip Girls and Mean Girls but no one has come as close to the dark heart of high-school girl politics as Lauren Myracle does in this shivery smart, wonderfully strange story of a high school where popularity can be stolen. No one notices Jane—not the jocks, the stoners, the debaters, the drama geeks, the cheerleaders, and especially not the Bitches, the school royalty made up of one girl from each class who's so transcendently beautiful and fascinating that no one can help but worship her. Imagine Jane's surprise when the Bitches approach her to be their freshman member. She wants this kind of popularity more than anything, but when she discovers the sinister secret of the Bitches' power, she's forced to make the toughest choice of her life. This

savagely funny book will be the talk of the season. F&P level: Z+ New York Times bestseller Lauren Myracle's long-awaited prequel to Eleven! Winnie Perry is turning ten and ten is BIG. It means double digits, more responsibility, and being an almost-middle-schooler. Ten means that Winnie can handle anything, even a three-year-old baby brother and a practically teenage (and acting like it) older sister. And with her best friend, Amanda, by her side, Winnie plans on enjoying every last second of her last year in grade school. Winnie knows that change isn't all it's cracked up to be, especially when it means her best friend, Amanda, might be dropping her for someone else. Throw in a grumpy teenage sister, a cat who gets trapped in the wall, and a crush who has pinkeye, and you've got one big mess—one that Winnie's not going to clean up! Winnie's decided that she's going to remain exactly the same, no matter what the rest of the world does. But every month brings crazy adventures. A lot can change in a year . . . maybe even Winnie. Winnie decides she needs a seaside break, so she and Wilbur zoom off to the coast. Winnie makes a beeline for the sea to cool down. Wilbur makes a beeline for anywhere other than the sea - he hates water, and can't bear getting wet. Winnie is having so much fun in the water that she doesn't notice her broomstick being washed out to sea. She waves her magic wand in an attempt to get the broomstick back but it doesn't really go according to plan. The mix of magic and mayhem that follows involves a surfer and a whale and, predictably, it's poor Wilbur who gets the worst of things...In this paperback with audio CD edition, children can listen to the story with accompanying music and sound effects that really transport listeners to the seaside! Life for the Flower Power girls is never

boring. Milla, still madly in crush with sweet Max, wonders if it's time—dun dun dun!—for the two of them to actually HOLD HANDS. Eeek! Katie-Rose, on the other hand, can't help but wonder when—or if—she will ever be crush-worthy, especially since the only boy to pay her any attention is pesky, annoying Preston, whose favorite pastime is throwing erasers at Katie-Rose's head. Violet, however, has bigger issues than boys on her mind. Her mom is finally scheduled to be discharged from the psychiatric hospital where she's been undergoing treatment, but what if her homecoming doesn't go as planned? Luckily, Yasaman has a foolproof plan for distracting her friends from their worries. The targets: beloved teachers Mr. Emerson and Ms. Perez, who are meant for each other, even if they don't know it. The goal: to bring those lovebirds together at their school's "Kids Night In," a teacher-chaperoned evening of fun, fabulosity, and possibly even romance . . . Praise for Oopsy Daisy "Milla, Violet, Yaz and Katie-Rose continue to charm; here's hoping they have more hijinks in store."—Kirkus Reviews Ty Perry's second-grade life is crazier than ever. He's trying hard not to worry too much, but that's not easy when his brain is filled with so many thoughts, like finally finding a pet for Baby Maggie, his sometimes-crazy classmates, and the dreaded neck-pinch-of-death. And then there's his upcoming recitation about doing an act of kindness in front of the whole class! Ty remains his wacky, curious self in this bighearted second installment of the Life of Ty series. Practicing kindness, random or not, doesn't take that much worrying after all. Being kind is part of being Ty. Lauren Myracle brings her signature frank, funny, and insightful writing to this novel of a teenage boy's coming-of-age.

Paul Walden is not an alpha lobster, the hypermasculine crustacean king who intimidates the other male lobsters, beds all the lady lobsters, and "wins" at life. At least not according to the ego-bursting feedback he's given in his freshman seminar. But Paul finds a funny, faithful friend in Roby Smalls, and maybe -- oh god, please -- he's beginning to catch the interest of smart, beautiful Natalia Gutierrez. Cruising through high school as a sauced-out, rap-loving beta lobster suits Paul fine, and if life ever gets him down? Smoke a little weed, crunch a few pills . . . it's all good. But in the treacherous currents of teenage culture, it's easy to get pulled under. With perfect frankness, Lauren Myracle lays bare the life of one boy as he navigates friendship, love, loss, and addiction. It's life at its most ordinary and most unforgettable. Winnie Perry is a teenager—at last! And it's a really big deal. A ginormous deal, that, wouldn't you know it, brings ginormous problems along with it. Winnie's bff #1 is growing up too slowly, while her bff #2 is growing up too fast, leaving Winnie stuck in the middle. Winnie's boyfriend, Lars, is fabulous—except when he's not. And as for Winnie's family, well, big changes are in the air! Beloved author Lauren Myracle returns with first kisses and near misses for everyone's favorite birthday girl. A #1 New York Times Bestseller and Winner of the Caldecott Medal about the remarkable true story of the bear who inspired Winnie-the-Pooh. In 1914, Harry Colebourn, a veterinarian on his way to tend horses in World War I, followed his heart and rescued a baby bear. He named her Winnie, after his hometown of Winnipeg, and he took the bear to war. Harry Colebourn's real-life great-granddaughter tells the true story of a remarkable friendship and an even more remarkable

journey--from the fields of Canada to a convoy across the ocean to an army base in England... And finally to the London Zoo, where Winnie made another new friend: a real boy named Christopher Robin. Before Winnie-the-Pooh, there was a real bear named Winnie. And she was a girl! The Forgetting Spell is beloved and bestselling author Lauren Myracle's second book in the unforgettable Wishing Day series, perfect for fans of Kate DiCamillo and Ingrid Law. Most people in Willow Hill think Darya is the prickliest of the Blok sisters. What they don't realize is that on the inside, Darya is soft and gooey from feeling everything, all the time. When Darya turns thirteen, the goo gets stickier—and as Darya's Wishing Day approaches, all she wants is to forget the silly tradition ever existed. Except . . . she can't. Ten years ago, a wish made by Darya's mother splintered their family into pieces. Last year, Darya's sister Natasha wished for their broken mother to return. The past is something you're supposed to leave behind. Which is why Darya has locked and sealed her most painful memories inside the far corners of her mind, where they can no longer hurt her. But when some of them begin to leak out, Darya realizes the decision about what to wish for—and what not to wish for—is probably the most important choice of her life. Meet Ty, a little guy with a big heart! Winnie Perry's sweet baby brother, Ty is full of awesome ideas and wacky plans that only a seven-year-old boy could hatch. Whether it's battling the family cat with a Dustbuster or smuggling a baby penguin out of the aquarium, Ty is always in the middle of a well-intended, kind hearted scheme! In the spirit of the Judy Moody spinoff Stink series, Ty will work his way into the hearts and funny bones of a whole new generation of Myracle fans.

What do Katie-Rose, Yasaman, Milla, and Violet have in common? Other than being named after flowers, practically nothing. Katie-Rose is a film director in training. Yasaman is a computer whiz. Milla is third in command of the A list. And Violet is the new girl in school. They're fab girls, all of them, but they sure aren't friends. And if evil queen bee Medusa—'scuse me, Modessa—has her way, they never will be. But this is the beginning of a new school year, when anything can happen and social worlds can collide . . . Told in Lauren Myracle's inventive narrative style—here a fresh mix of instant messages, blog posts, screenplay, and straight narrative—Luv Ya Bunches has been called "enticing" by Publishers Weekly and received a starred review from Booklist, which called it "a fun, challenging, and gently edifying story." A picture book account of the true story that inspired the Winnie-the-Pooh classics follows the experiences of a World War I veterinarian and soldier who rescued a baby bear, made her his regiment's mascot and introduced her to Christopher Robin at the London Zoo. Winnie has finally gotten the hang of junior high—gaining two fabulous BFFs and a perfect (OK, sometimes perfect) boyfriend in the process. And with graduation just around the corner, the countdown to high school has begun. Not that Winnie is obsessing about it, since she has a whole bunch of things to check off her To-Do-Before-High-School list. Big things, like owning her heart's desire, helping the world, and—oh, yeah—growing up. With so much to do and only a summer to do it, one thing is for sure: eleven, twelve, and thirteen were big, but fourteen is going to be epic! Twelve-year-old Winnie Willis has a way with horses. She can gentle the wildest mare, but other parts of life don't

always come as easily. Along with her dad and sister, Lizzy, Winnie is learning how to live without her mom—who was also a natural horse gentler. Readers will be hooked on the series' vivid characters, whose quirky personalities fill Winnie's life with friendship and adventure. #4 Midnight Mystery—It's up to Winnie to solve a mystery and save a circus horse. But Winnie faces her own mystery as she struggles to keep her family from changing and to hold on to things as they are. She'll learn to appreciate God, who never changes no matter what else may threaten. A national bestseller that inspired a major motion picture, this chilling novel follows prep school dropout White Mike through the week between Christmas and New Year's 1999, as he deals an alluring new drug to his privileged peers on Manhattan's Upper East Side. The kids of Twelve have it all; Chris and Claude and Hunter and Laura have the best, and most, of everything, but are constantly looking for something more exotic, and more dangerous. Few people have courted as much controversy or evoked such strong and divergent emotions as Winnie Madikizela-Mandela. Adored by some, abhorred by others, she bears a name famous throughout the world, yet not many people know the woman behind the headlines, myths and controversies, or the details of the fascinating story that is her life. This intimate, in-depth and unbiased biography reveals the enigma that is Winnie Mandela, by exploring both her personal and political life. The reader is given a rare glimpse into Winnie's strict yet happy rural upbringing, where the foundations were laid for her faith, compassion and indomitable resolve. As a young social worker in 1950s Johannesburg, her beauty, style and character captivated*

A sensitive and balanced portrayal, the book nevertheless thoroughly investigates and honestly examines the controversies that have dogged Winnie Mandela in recent years: the allegations of kidnapping and murder, her divorce from Mandela, and the charges of fraud. Winnie and Wolf is the story of the remarkable relationship between Winifred Wagner and Adolf Hitler that took place during the years between the two world wars, as seen through the eyes of the secretary at the Wagner House in Bayreuth. Winifred, an English girl, was brought up in an orphanage and married at the age of eighteen to the son of Germany's most controversial genius. She is a passionate Germanophile, a Wagnerian dreamer, and a Teutonic patriot. In the debacle of the post-Versailles world, the Wagner family hopes for the coming of a Parsifal, a mystic idealist and redeemer. In 1923, they meet their Parsifal—a wild-eyed Viennese opera fanatic named Adolf Hitler. He has already made a name for himself in some sections of German society through rabble-rousing and street-corner speeches. It is Winifred, though, who

truly believes in him. Both have known the humiliation of poverty and a deep anger at the society that excluded them. They find in each other an unusual kinship that begins with a passion for opera. In A. N. Wilson's boldest and most ambitious novel yet, the world of the Weimar Republic and Nazi Germany is brilliantly recreated, and forms the backdrop to this incredible bond, which ultimately reveals the remarkable capacity of human beings to deceive themselves. And that's just the start of their troubles. A scheming classmate tries to drive a wedge between Katie-Rose and Yasaman, Violet may

have been slammed in a secret journal, and poor Milla unintentionally commits hamstercide.
