Berlin Diary May 04 2021 The author of the international bestseller *The Rise and Fall of the Third Reich* offers a personal account of life in Nazi Germany at the start of WWII. By the late 1930s, Adolf Hitler, Führer of the Nazi Party, had consolidated power in Germany and was leading the world into war. A young foreign correspondent was on hand to bear witness. More than two decades prior to the publication of his acclaimed history, *The Rise and Fall of the Third Reich*, William L. Shirer was a journalist stationed in Berlin. During his years in the Nazi capital, he kept a daily personal diary, scrupulously recording everything he heard and saw before being forced to flee the country in 1940. *Berlin Diary* is Shirer's first-hand account of the momentous events that shook the world in the mid-twentieth century, from the annexation of Austria and Czechoslovakia to the fall of Poland and France. A remarkable personal memoir of an extraordinary time, it chronicles the author's thoughts and experiences while living in the shadow of the Nazi beast. Shirer recalls the surreal spectacles of the Nuremberg rallies, the terror of the late-night bombing raids, and his encounters with members of the German high command while he was risking his life to report to the world on the atrocities of a genocidal regime. At once powerful, engrossing, and edifying, William L. Shirer's *Berlin Diary* is an essential historical record that illuminates one of the darkest periods in human civilization.

The Eleventh Hour Sep 20 2022 As war looms, the baron's beautiful daughter resists the advances of a Nazi suitor.

The Aurian Legacy May 16 2022 Ganderian Zeoman, an Avenger of Lattan, travels with Halamar Xainan, Guardian of Horem, as they both set out to answer a call for audience with King Davinus

Minter. War looms on the horizon, and the paladins have been summoned by the King of Minterra to oversee peace-talks with Tereenia, Sereith, and Ahlme, the other three nations that make up the Four Kingdoms of the Continental Trinity. During their travels, Ganderian and Halamar encounter new allies, Hera Nighthart, a traveling mercenary, and the daughter of the greatest blacksmith in Minterra, as well as the benevolent and puckish rogue, Jackson D. Nief, the self-proclaimed Mighty Thief. Together, they seek the truth about the rising threat of war between the Four Kingdoms, and to bring it to a halt. The four heroes find their journey becoming more complicated, with the encounters of an assassin who harrows their journey, as well as a young maiden with incredible powers, but knowledge of where or how she got them. Adine is not the only one with hidden secrets. A dark and malevolent force lurks within Jack Nief, biding its time...

The Exalter Oct 21 2022 The Exalter was pleased to be at the top pillar looking down at a game where he had arranged all the pieces. The Exalter says he is god. The Knowers continue to follow him blindly and question nothing. The Exalter promises to end all violence and solve economic turmoil in this futuristic setting. Those unwilling to accept the Exalter are forced slaves to these so-called believers working for mandatory minimal wages, and small governmental food rations. These unfortunate men, women, and children are globally known as Derogates. Derogates are separated from normal society in poverty stricken villages. In this uncertain future, Nicolai struggles with the battles in his personal life. As his work becomes meaningless his own wife begins to slip away from him. He cant seem to find real purpose. Droughts, strange earthly phenomenons, famines, and the release of countless prisoners during the Great Pardon cause him and others to question the Exalters rule. Where are these promises of peace? When the unanswered disappearances of Derogates are discovered mass speculation and chaos follow. Nicolai finds

himself searching for answers about his wife, his government, and even the Exalter himself. Events unfold and Nicolai never imagined he would be fleeing for his very life. Stresses build and armies begin to turn on their leaders as a new war looms on the horizon. This war is for individual survival. The Exalter looked confident like that of a strong lion surrounded by starved and weakened animals. My ways are easy to follow without guilt or heavy expectations. How will all of this end and how many will live or die?

The Three Thrones Dec 23 2022 The three clans are about to converge. In the wake of Thane's destruction, Arliss is left with nothing but broken pieces of the life she knew and unanswered questions about the world beyond Reinhold. And suddenly, that world comes to Reinhold. When Princess Orlianna of Ikarra journeys to invite Arliss and company to return with her to renew their old alliances, Arliss grasps the opportunity to cross the ocean. The voyage could answer every question she's ever asked. But as war looms ever closer, Arliss must risk everything. Her friendships across the clans. Her love for Philip. The role of the queen she was born to become.

The End Jun 17 2022 SUNDAY TIMES, TLS, SPECTATOR, SUNDAY TELEGRAPH, DAILY MAIL and SCOTLAND ON SUNDAY BOOKS OF THE YEAR The last months of the Second World War were a nightmarish time to be alive. Unimaginable levels of violence destroyed entire cities. Millions died or were dispossessed. By all kinds of criteria it was the end: the end of the Third Reich and its terrible empire but also, increasingly, it seemed to be the end of European civilization itself. In his gripping, revelatory new book Ian Kershaw describes these final months, from the failed attempt to assassinate Hitler in July 1944 to the German surrender in May 1945. The major question that Kershaw attempts to answer is: what made Germany keep on fighting? In almost every major war there has come a point where defeat has loomed for one side and its rulers have cut a deal with

the victors, if only in an attempt to save their own skins. In Hitler's Germany, nothing of this kind happened: in the end the regime had to be stamped out town by town with a level of brutality almost without precedent. Both a highly original piece of research and a gripping narrative, *The End* makes vivid an era which still deeply scars Europe. It raises the most profound questions about the nature of the Second World War, about the Third Reich and about how ordinary people behave in extreme circumstances. Ian Kershaw is the author of *Hitler 1889-1936: Hubris*; *Hitler 1936-1945: Nemesis*; *Making Friends with Hitler*; and *Fateful Choices: Ten Decisions that Changed the World, 1940-4*. *Hitler 1936-1945: Nemesis* received the Wolfson History Prize and the Bruno Kreisky Prize in Austria for Political Book of the Year, and was joint winner of the inaugural British Academy Book Prize. Until his retirement in 2008, Ian Kershaw was Professor of Modern History at the University of Sheffield. For services to history he was given the German award of the Federal Cross of Merit in 1994. He was knighted in 2002 and awarded the Norton Medlicott Medal by the Historical Association in 2004. He is a Fellow of the British Academy, and was the winner of the Leipzig Book Prize for European Understanding 2012.

Dreamer Oct 09 2021 Is the Dreamer good or evil? As war looms between Britain and Argentina over the barren Falkland Islands, Major David Elliott is having nightmares. Long ago, in a dark jungle near Cambodia, he failed to do his duty. That duty was to execute a member of his team. David's weakness eventually led to his team's capture. Tortured by the Viet Cong, they revealed the dark secrets of the CIA's Phoenix program. Forced to leave the service in disgrace, his men now live in the darkness. What do the dreams mean for them? David's wife, Sonia, sees them as harbingers of evil things to come. A revolutionary in Argentina before the war, she escaped to America and became a citizen. Now, Captain Alvarez, head of the Argentine Secret Police, wants her back. He devises a plan that lures her into returning to Argentina where she is imprisoned on Los Estados Island. Meanwhile, a mystical creature has summoned David and his former team to gather once more to honor the covenant, a pact they made with each other when they believed their lives were coming to an end. Together, with an errant priest, Father Perez, they reluctantly agree to assault Los Estados and free Sonia. As they travel across Mexico, Central and South America, they encounter the CIA, Contras in Nicaragua, the M-19 narco terrorist group and the United States Navy; while all along being shadowed by the mystical entity. Is the entity God or Satan? Will submitting to the will of the entity allow David and his men to stand in the light of men once again? Is the Dreamer good or evil? You decide. "Dreamer" is a tale of redemption, honor, courage, belief in God and betrayal!

Distant Thunder Nov 22 2022 It is the year 1860. Gracie Smith lives the life of ease on her huge Alabama plantation home. On the outside, she is living a perfect life of ease. The belle of every ball. The daughter of a wealthy, powerful plantation owner. Her choice of young men to court. However, appearances deceive. Inside, Gracie is a twisted, bitter person. And church is the last place she wants to go for answers. She is running out of time as the distant thunder of civil war looms on the horizon. What will it take to make her change her mind about needing a Savior, before it's too late? Suddenly, when life whirls into a horrible accident and a runaway slave mysteriously appears, she is given a second chance at a better life. All the while, whispered threats of a civil war filter through America. Will these threats become a reality for her and the rest of the country? If so, it will change her life forever.

Dark Ages Mar 14 2022 History has repeated itself and the Dark Ages of man are upon us once again. Several hundred years after the end of the worlds second ice-age and the near extinction of the human race, mankind is in a state of rebuilding. The technology that we once took for granted, and believed would usher us into the future, has become nothing more than a myth to a species that is once again on the brink of destruction. War looms on the horizon, a war that has been going on since the dawn of creation. Now it would seem that the final pieces of a dark, menacing plan have been put into play, and mankinds darkest hour is at hand. But all this is irrelevant to one woman. Luna Ayala-Kin, Infantry General of the once prominent Tereye army, has embarked on a murderous quest for revenge after having everything that she once cherished violently stripped away. The loss of her young child has driven her to the point of utter madness, and she has vowed to stop at nothing until her blade is coated in the blood of the one that took her daughters life. Her three year journey has left nothing but devastation in her wake, and still she has not found the answers that she seeks, answers that could lead her to the kingdom of Golgotha, and her quests end. With hope and sanity rapidly dwindling, at her most vulnerable state, a dark and magical being from her past has offered her the key to her success, at a price that may be too steep. The temptation will change everything. Will Luna be prepared to sell her soul for revenge, or will she continue on her bloodthirsty path of destruction alone, blind, and in the dark.

The Rayden Valkyrie Tales Aug 19 2022 A compendium that contains the first three stand-alone novellas featuring the warrior Rayden Valkyrie. Included in Volume I are Blood of a Queen,

Winds of War, and The Sun's Caress. With diverse settings, action-driven plots, and an array of fearsome adversaries, the Rayden Valkyrie Tales will satisfy any reader of Heroic Fantasy or Sword and Sorcery! Here is what readers can look forward to in this volume!

Blood of a Queen Traveling farther east, Rayden Valkyrie comes upon a city shrouded in fear and anger. A devastating drought has been followed by a nightmarish rash of brutal murders and disappearances that only occur after the sun goes down. A few witnesses speak of terrifying, monstrous wraiths prowling the streets at night. The ruler of Terith-Ka, Queen Annukeyen, claims that the demonic entities have been summoned through dark magic wielded by sorcerers in the rival city of Rastapur. A war looms and the people clamor for vengeance against the city they believe has caused their suffering. Rayden suspects something much darker at work underneath the simmering atmosphere of Terith-Ka. When all others have gone inside with the fall of night, Rayden heads into the empty streets of the city to find answers and confront the evil plaguing a frightened populace.

Winds of War The winds of war are stirring. The kings of Thrakkia and Samosia quarrel with each other as a wave of invaders from a powerful empire crashes upon the shores of the nearby Kingdom of Pargemon. Having finished a harrowing mission aiding the Thrakkians deep in their mountains, Rayden Valkyrie understands the looming, perilous threat from the Astrian Empire. Without unity, none of the Griacan kingdoms stand a chance against the much larger invasion that Rayden knows will follow the conquest of Pargemon. With time dwindling fast and the kings set on a course to weaken each other in battle, Rayden undertakes a bold mission. The fate of many lands hangs in the balance.

The Sun's Caress At the edge of the world, far to the east, Rayden has joined with a band of pirates led by Timiko, the young widow of a great warrior revered for showing compassion and generosity to the powerless toiling in the fields and villages on the islands of Yamatainu. When word arrives that

a raiding fleet is approaching under the command of the pirate Fujimara, a man known for extreme cruelty and barbarity, Timiko and Rayden know that the villages throughout their region are in great peril. Though greatly outnumbered, Timiko's fleet sets out against all odds to confront Fujimara's raiders.

everlasting love, and what we will do to never lose it. Collected for the first time, the second chapter of Christopher Shy's seminal novel of the future *This is Man to Leaves*.

America's Second Civil War Feb 25 2023 "America has always taken a coherent national identity for granted. In recent decades that assumption has been challenged. Individual and group rights have expanded, eliciting acerbic debate about the legitimacy and limits of claims. National political leaders have preferred to finesse rather than engage these controversies. At the same time, large numbers of new immigrants have dramatically made the United States more racially, ethnically, and culturally diverse. As a result this country faces critical political and cultural questions. What does it mean to be an American? What, if anything, binds our country and citizens together? Is a "new American identity" developing, and if so, what is it? Can political leaders help us answer these questions? For the second time in the history of the United States another civil war looms. The new danger lies in conflicts among people of different racial, cultural, and ethnic heritages, and between those who view themselves as culturally, politically, and economically disadvantaged versus those whom they see as privileged. Unlike the first Civil War, the antagonists cannot take refuge in their family or their religious, social, cultural or political organizations. These are the places where the war is being fought. At issue is whether it is possible or desirable to preserve the strengths of a common heritage. Some quarters insist that our past has resulted in a culture only worth tearing down to build over, rather than one worth keeping and building upon. We are in conflict over the viability of American culture and identity itself. This volume is organized into a series of intellectually grounded but provocative chapters on political leadership, the 2000 presidential campaign, immigration, affirmative action, and other contemporary social and political issues. Renshon uses the perspective of political psychology to help us to see old issues in new ways, and new

issues in different ways. His critical questi"

Invitation to Cat Spring Aug 07 2021 Virtual Serfdom under the Hapsburgs has gripped the Czech lands for generations. In the mid-nineteenth century, letters arrive from Cat Spring, America, telling of unbelievable freedom and opportunity. Rozina and her family decide to leave Moravia and take their chances. After crossing Europe by foot, wagon, and train, they make the arduous sea voyage to their new home, braving unbelievably crowded conditions, hunger, storms, sickness, and death. As the family begins to scratch out a meager living and adjust to the adopted homeland, Civil War looms. They don't speak English, oppose slavery and are against secession. When Texas joins the Confederacy, difficult choices must be made. Two sons join the Confederate forces and find themselves involved in the Battle of Galveston, the largest Civil War battle fought on Texas soil. Another avoids the military, choosing, instead, to haul cotton to Mexico - a more hazardous undertaking than he can possibly imagine.

When The Wind Speaks Oct 29 2020 When the wind speaks and the fire dies, a shadow will come into the Kingdom of Lies. When a surge of primal, living magic levels a mage tower and offers Dnara a chance to escape a life of slavery, she takes it and runs. When the unleashed magic catches her, it offers her a choice. A choice is made and a gift is given, but what one being considers a gift, another may consider a curse. The blight took everything from Athan, except for his will to survive. Athan scrapes a meager existence out of a dying land as a traveling forester, waiting for his luck to change. When he comes across an injured Dnara in the Thorngrove thicket, he doesn't know if his luck has changed for the better, or for the worse. From her sovereign rooftop nation, Naomi looks down upon the city of Ka'veshi and hears rumors of a brewing guild war. Orphaned, unguilded and alone, she must navigate a decaying city and the hand fate has dealt her. Deep within the Elvan Silverwood, Serenthel awakes from a dream. The

darkness within it startles him, but the call of his destiny is exhilarating. The lands of Ellium are dying. A blighting corruption born a thousand years ago spreads slowly westward, sowing seeds of chaos and despair. From simple farmer to gilded noble, none in the human kingdoms of Carnath and Orynthis can escape the blight's touch. Crops rot in the fields, animals are disappearing and children are no longer being born. Desperate men turn hungry, envious eyes towards the unspoiled plateaus of the Orc'kothi tribes and the cloistered forests of the Elvan clans. The gods sleep while fate draws uncertain lines in the sand. War looms over the horizon like a storm carried by the wind, and the wind whispers a warning to those who can still hear it.

A War of Brothers Apr 15 2022 A quest to save his brother turns into a war of worlds. Every child born in Galaria hears the stories. The elders whisper by their hearths about the empire that was and the demons that sent them into hiding, but Jamelin never believed it. Not until a demon stole his brother. Ignoring the law and abandoning everything he knows, Jamelin leaves to save his younger brother; however, beyond Galaria, a war looms. Fae and humans fight for dominion. They show no mercy. When an unexpected blood binding ties him to a fae, Jamelin discovers the truth. About Galaria's future. About the magic he shouldn't have and what really happened to his brother. But all answers come with a price. To get to his brother, Jamelin will have to join the fae army, fighting against his own kind. Despite their powers, the fae cannot predict the mad mortals who push further into their lands, and if Jamelin wants to get close enough to the god-like monster responsible for his brother's abduction, he will have to prove himself. Jamelin will do whatever it takes - no matter how monstrous - to save his brother. Time-bending tangled webs loom. Ancient rivalries reawaken, and the bloody path meant to save his brother might just be a march to the gallows.

Stonewielder Jun 24 2020 A Novel of the Malazan Empire, Ian C. Esslemont's *Stonewielder* is an enthralling new chapter in the epic story of a thrillingly imagined world that takes place in the timeline right after Steven Erikson's New York Times bestseller *Dust of Dreams: A Malazan Book of the Fallen*, left off. Greymane believed he'd outrun his past. With his school for swordsmanship in Falar, he was looking forward to a quiet life, although his colleague Kyle wasn't as enamoured with life outside the mercenary company, the Crimson Guard. However, it seems it is not so easy for an ex-Fist of the Malazan Empire to disappear, especially one under sentence of death from that same Empire. For there is a new Emperor on the throne of Malaz, and he is dwelling on the ignominy that is the Empire's failed invasion of

the Korel subcontinent. In the vaults beneath Unta, the Imperial capital, lie the answers to that disaster. And out of this buried history surfaces the name Stonewielder. In Korel, Lord Protector Hiam, commander of the Stormguard, faces the potential annihilation of all that he holds dear. With few remaining men and a crumbling stone wall that has seen better days, he confronts an ancient enemy: the sea-borne Stormriders have returned. Religious war also threatens these lands. The cult of the Blessed Lady, which had stood firm against the Riders for millennia, now seeks to eradicate its rivals. And as chaos looms, a local magistrate investigating a series of murders suddenly finds himself at the heart of a far more ancient and terrifying crime--one that has tainted an entire land.... Crowbait Aug 27 2020 I am the whisperer and the words I speak echo within you. I am the whisperer and my words do not fade, they endure to the end. Everything changed when the high priest defied the dark spirit Vatu. One man split into two, now one is a ghost and the other is free. But while Utas, the high priest, is released from his shackles, Vatu still commands the world, the Sun, and the twelve priests below him. Alaba, the girl who shines like the moon, is alive and in danger. A heretic priest, follower of the Author of All Things, sends her away from the Valley of the Sun for her safety, only for her and her caretakers to be captured by bandits. They make a reluctant home among the bandits, but even in this village of outcasts, rivalries and secrets threaten their safety and their lives. While the other priests of Vatu set out on their own dark quests, famine spreads across the dark lands. Hunger turns to desperation and war looms over the struggle for what little food remains. Utas finds purpose when he finally reunites with his daughter, but how can he keep her safe when death closes in on all sides?

Defeating her evil ex-boyfriend hasn't exactly been the reprieve from trouble that Jade hoped for. When Alek's mentor shows up with an injured Justice and government agents start asking questions she doesn't want to answer, Jade's problems are just beginning. Enemies new and old make their moves as a war looms on the horizon in this exciting ninth book in the Twenty-Sided Sorceress series.

Spiral Path Jan 20 2020 "The world is woven of secrets." Ritual magic mixes dangerously with wild magic. Yet Alfreda Sorensson's talent has grown until she becomes a target for worldly and unworldly powers. Now, to save her soul, she must leave her pioneer home in the Michigan Territory to take refuge at an elite New York school, where her wild magic places her in direct conflict with the ritual taught to young Americans and Europeans. Alfreda suspects that half the professors may not be human at Windward Academy. It's a curious place, a last chance for students who can't control their powers, and a place where everything is a test, in one way or another. At first Alfreda thinks her greatest challenge will be mastering ritual. Then she learns that traitors have infiltrated the school--and the new nation. War looms between the United States and England, and Alfreda answers the call. Only after she spies her way into an enemy magician's estate does she learn the true challenge of her own power-- Because when dark magic finds her, she's utterly on her own.

The Grey Code Sep 08 2021 The Galactic Empire has fallen, In its wake two new governments have risen, The Republic Empire, rulers of the inner systems, And the Order of the Empire, that

Order of Battle Jan 12 2022 An assassination attempt on General Eisenhower looms as agents race to take down a Nazi terrorist organization in this “undeniably exciting” thriller (The Washington Post). Written by an author with personal experience as a counterintelligence agent during World War II, *Order of Battle* is set during the waning days of Nazi Germany, as plans are hatched for a covert terrorist organization known as the Werewolves, meant to carry on Hitler’s legacy even in the face of defeat. High on their list of goals: the death of America’s heroic Dwight D. Eisenhower. But the secret Nazi resistance will have trouble eluding the Allied forces lying in wait for them—especially one dedicated American intelligence officer who suspects that danger lurks underground amid the chaos of a collapsing empire—in this novel inspired by real events and filled with “maximum tension” (The New York Times).
