***one of the most critically acclaimed and award-winning series of all time. This original graphic novel tells the story of one very dark night in Gotham City. The Joker has been mysteriously released from Arkham Asylum, and he's none too happy about what's happened to his Gotham City rackets while he's been "away." What follows is a harrowing night of revenge, murder and manic crime as only The Joker can deliver it, as he brutally takes back his stolen assets from The Penguin, The Riddler, Two-Face, Killer Croc and, of course, The Batman, and heaven help them all. Told through the eyes of his loyal (but naive) henchman Jonny Frost, JOKER is a true noir crime novel: a harrowing journey into a city of rain-soaked streets, dirty sheets and nothing but bad choices. Wonder Woman discovers her heritage, continues to look for her friend Zola's baby, and is suspicious when Orion arrives at her doorstep as she doesn't know if she can trust him. DC BLACK LABEL, the highly anticipated new imprint from DC Comics, starts here! The Joker is dead. There is no doubt about that. But whether Batman finally snapped his scrawny neck or some other sinister force in Gotham City did the deed is still a mystery. So who better to set him straight than...John Constantine? Problem with that is as much as John loves a good mystery, he loves messing with people's heads even more. So with John's "help," the pair will delve into the sordid underbelly of Gotham as they race toward the mind-blowing truth of who murdered The Joker. BATMAN: DAMNED is a bimonthly super-natural horror story told by two of comics' greatest modern creators—a visceral thrill-ride that proudly puts the "black" in BLACK LABEL.
